

SUBJECT INDEX

The index is alphabetised in word-by-word order, e.g. *Long Wittenham* is filed before *Longmynds*

Page numbers are given in full form, e.g. 124-125

Page numbers shown as 132...139 indicate sporadic, often unrelated, references throughout the range

References to illustrations, maps and figures are given in *italics*, those for tables are given in **bold**

Page numbers followed by *bib* refer to bibliographical references, either in essay *Notes* or the *Consolidated Bibliography*.

Labourer's Friend Society is also referred to as LFS in this index.

CD refers to the CD that accompanies this publication.
